

Statement of Rights and Responsibilities

Statement of Rights and Responsibilities of application created by Simone Muggeo

The use or access to the application implies acceptance of the present Declaration, which may be updated from time to time. The term *application* refers to an application created for mobile devices or web application accessible via the browser.

1. Privacy

I dati forniti vengono memorizzati e resi disponibili agli altri utenti nelle pagine dedicate dell'applicazione. Non verranno assolutamente divulgati al di fuori dell'ambito dell'applicazione.

2. Use of Cookies

Cookies are small pieces of data that are stored on your computer, your phone or other device. The pixels are small blocks of code on Web pages, which do things like allow another server to measure the display of a Web page and are often used in conjunction with cookies.

We use technologies like cookies, pixels and local storage (eg in the browser or device, similar to a cookie but able to hold more information) to provide and study a range of products and services.

3. Sharing Your Content and Information

The user is the owner of all content and information provided and published. May, through the dedicated page, change and, if he intends to, delete the account and all its information.

In case of application errors or malfunctions, you can contact me directly via eMail, creator of the application and this document, to achieve changes or cancellation.

4. Safety

We do our best to keep the application safe , but we cannot guarantee it. We need your help to keep the application safe , which includes the following commitments by you:

1. You will not post unauthorized commercial communications (such as spam)
2. You will not collect users' content or information , or otherwise access the application using automated means (such as harvesting bots, robots, spiders, or scrapers) without our prior permission.
3. You will not engage in unlawful multi-level marketing , such as pyramid schemes, on the application.
4. You will not upload viruses or other malicious code.
5. You will not solicit login information or access an account belonging to someone else.
6. You will not bully, intimidate or harass any user.
7. You will not post content that: is hate speech, threatening, or pornographic; incites violence; or contains nudity or graphic or gratuitous violence.
8. You will not advertise any content on the application.
9. You will not use the to do anything unlawful, misleading, malicious, or discriminatory.
10. You will not take any action that would prevent , overburden, or impair the proper functioning or appearance of the application, such as a denial of service attack or other disruptive actions that interfere with the rendering of the pages or other application functions.
11. Do not facilitate or encourage any violations of this Statement or our policies.

5. **Registration and Account Security**

Application users provide their real names and information, and we need your help to keep it that way. Here are some commitments you make to us relating to registering and maintaining the security of your account:

1. You will not provide any false personal information on the application or create an account to another person's account without permission.
2. You will not create more than one personal account.
3. You will not create another account without our permission if the original account is disabled.
4. You will not use the application to get your business profits.
5. You will keep your contact information accurate and up-to-date.
6. You will not share your password, nor allow others to access your account, or take any other action that might jeopardize the security of your account.
7. You will not transfer your account to a third party.

6. **Protecting Other People's Rights**

We respect other people's rights, and expect you to do the same.

1. You will not post content or take any action on the application that infringes or violates someone else's rights or otherwise violates the law.
2. We can remove any content or information you post on the application if we believe that it violates this Statement or our policies.
3. If we removed the content because they are considered to infringe the copyright of third parties, and the user who posted them believed that there was a mistake, it has the opportunity to appeal.
4. If the user repeatedly infringes the intellectual property rights of third parties, we will disable your account when appropriate.
5. You will not use copyrights or trademarks or symbols that can be subject to confusing.
6. You will not post anyone's identification documents or sensitive financial information on the application.

7. **Special Provisions Applicable to Software**

1. If you download or use our software, such as a stand-alone software product, an app, or a browser plugin, you agree that from time to time, the software may download and install upgrades, updates and additional features from us in order to improve, enhance, and further develop the software.
2. You will not modify, create derivative works of, decompile, or otherwise attempt to extract source code from us, unless you are expressly permitted to do so under an open source license, or we give you express written permission.

8. **Amendments**

1. If we make changes to policies referenced in or incorporated by this Statement, we may provide notice on the Main page.
2. Your continued use of the application following changes to our terms constitutes your acceptance of our amended terms.

9. **Termination**

If you violate the letter or spirit of this Statement, or otherwise create risk or possible legal exposure for us, we can stop providing all or part of the application to you. We will notify you by email or at

the next time you attempt to access your account. You may also delete your account or disable your application at any time.

10. Disputes

1. Although we provide rules for the conduct of users, we do not control or drive the actions of users on the application and are not responsible for the content or information that users transmit or share on the application itself. We are not responsible for any information or content offensive, inappropriate, obscene, unlawful or otherwise objectionable present application. We are not responsible for the conduct, whether online or offline, of any user application.

2. We try to keep the application active, bug-free and safe, but you agree to use it at your own risk. The application is provided as is, without warranty either expressed or implied, including, but not limited to, the implied warranties of merchantability, fitness for a particular purpose or non-infringement. We cannot guarantee that the application will always be safe or bug-free or that it will always work without interruptions, delays or defects. The application is not responsible for the actions, content, information or data of third parties, so we are relieved from any and all claims or damages, known or unknown, arising from its use, and we are not in any way connected with any complaints directed against that third party.
